Portfolio Report

This report provides an overview of my first project(EASY) i.e. my portfolio made with HTML and CSS only. It includes the code structure and styling used to display my details and achievements.

Contents:

1. Introduction
2. HTML Structure
3. CSS Styling
4. Features
5. Screenshots

1. Introduction
- **Project overview** : Description of the portfolio
- **Technologies used :** HTML and CSS

2. HTML Structure

        <br>
        <h1>Tech Enthusiast</h1>
        <br>
        <p>
```

I'm Setu Arya, a tech enthusiast with a passion for exploring the ever-evolving world of technology. From software development and AI to emerging trends like blockchain and IoT, I thrive on staying at the forefront of innovation. Whether it's building new projects, experimenting with code, or diving into the latest gadgets, I'm always eager to learn and push the boundaries of what's possible. My goal is to combine creativity and technical skills to solve real-world problems and contribute to the future of technology.
